Terms & Conditions

Accounts must be settled by the 25th of the statement month for discounts to apply. Accounts overdue 60 days or more will incur a 2.5% credit surcharge each month until cleared.

DIGITAL RESTORATIONS

As we enter The New Digital age of Dentistry DTS as the UK leaders have introduced our new digital range of restorations. These will over the next few years become the standard.

All restorations in this section use modern cutting edge technology to create the restorations by Cad-Cam, SLA 3D Printing and laser sintering.

These restorations give a high level of consistency and accuracy never achievable before by hand.
